39th ANNUAL SILVER STATE INTERNATIONAL RODEO
Winnemucca Events Complex
June 29 – July 7, 2024

The community of Winnemucca and the Winnemucca Events Complex Board and Staff wish to welcome you to Winnemucca and thank you for participating in the 2024 SSIR. We are anticipating a large attendance utilizing most of our facilities. We have added additional amenities to make your stay as enjoyable as possible. Please be patient with staff as we work to accommodate everyone as quickly as possible.

STALL & CAMPING RESERVATION INFORMATION- **NEW FOR 2024**

1. Stall and camping management is coordinated by the Winnemucca Events Complex (WEC).
2. The WEC has implemented a new stall and campsite reservation program. Participants will now be directed to choose their own stalls and/or campsites from various available barns and campgrounds.
3. WEC will no longer place participants by state but will leave the choices up to you. Participants who want to be accommodated adjacent to other participants must either have one person make one reservation for all combined stalls and/or campsites or coordinate with each other to make the reservations individually but concurrently online.
4. To better understand the barn and campsite locations and their proximity to each other, please refer to the Winnemucca Events Complex Stall and Campground Map below. Note that the main rodeo performances will be held in Arena #1.
5. Please make your stall and campsite choices carefully, as we will be unable to make changes later.
6. Upon arrival, all participants must stop and check in at the Stall/Campground office. WEC staff will accompany participants to their stalls and/or campsites, and stalls will be unlocked then.
7. Cancellation deadline is 8:00 AM, June 28, 2024. Stall and/or campsite reservations cannot be transferred or resold.
8. **To make stall and campsite reservations, visit www.openstalls.com and search for Winnemucca Silver State International Rodeo.**

Good Luck to All the Contestants!
